August 15th, 2021

Dear Colleagues and Residents,

We are pleased to announce and invite you to participate in the production and distribution of the 2022 AMPI Los Cabos Relocation Guide. This digital publication is designed to be an information source for any individual or company planning to relocate to Baja California Sur. It will be an in depth guide for visitors to gain perspective of things to do, places to go and locations to see while making the move. It will include relevant information about local businesses, schools, events, attractions and points of interest. Most important is the portrayal of confidence and trust in the real estate transaction process, by trained professionals, who will support you with training, professional credentials, conferences and referral access worldwide to 1,400,000 like minded professionals as an AMPI member. Our Code of Ethics and Standards of Practice assure those relocating here either temporarily or permanently, a hassle free experience and smooth transition with local businesses they can trust.

Membership is NOT a requirement to participate, however we have a membership incentive for licensed agents to enjoy all the benefits associated with membership as well as exposure in the NAR® Convention and Expo held this November in San Diego, CA. Any business can advertise that is in good standing with AMPI and the National Association of Realtors® for the presentation of your business and exposure to potential clients. The publication will be available to you for digital distribution via eMagazine as a way to provide immediate public access in an environmentally friendly format. We thank you for your support and the opportunity to promote your business to our member base and their clients interested in Los Cabos and our great state of Baja California Sur.

To your continued success!

A handwritten signature in black ink, appearing to read "Wayne Lefkowitz", written in a cursive style.

Wayne Lefkowitz
President AMPI Los Cabos
